## Sidh

April 27, 1865 the worst American Disaster of the maritime

    No one knows the count of lives lost

    The soldiers, civilians and the sisters of charity

    \$5 a head Captains Mason and Hatch

    Boarded 6 times the legal load of the Sultana

    Leaving Vicksburg bound for Cairo

Memphis was the tragic last port of call of Sultana 6 miles out of Memphis a boiler gave out

    From the flooding swift river and extra heavy load of Sultana

    The current was cold the river was wide

    A mile to either side away from the burning Sultana

    3 boilers blew fire and lit up the night sky

Hell was a better place than on board the Sultana The worst American disaster on water

    The Titanic of the cold Mississippi was the Sultana Hell was a better place that night

    Titanic of the cold Mississippi was the Sultana
