

One Love

Aiden

When I wake, I see you
Lying there on the bathroom floor
With foam lips, a black kiss
You're dead hero and now mythThe way you look so nice
We'll save the undead princess
I'm anxiously awaiting your arrival nowOne love in your eyes now, look afraid
Beyond you and me
One love in your eyes now, look afraid
Beyond you and me
One love, in your eyes now, look afraidA demon, your ghost eyes
Watching me run through our lives
A soft look in silence
Misery come and find usWell, don't try to stop me
I'm headed straight to hell down
I want you, I need you nowOne love in your eyes now, look afraid
Beyond you and me
One love in your eyes now, look afraid
Beyond you and meOne love in your eyes now, look afraid
Beyond you and me
One love in your eyes now, look afraidThe last night, you were here
Your words were so meaningful
With reprise we suffer
I thought your roots were so fakeOne love in your eyes now, look afraid
Beyond you and me
One love in your eyes now, look afraid
Beyond you and meOne love in your eyes now, look afraid
Beyond you and me
One love in your eyes now, look afraid
Beyond you and meOne love in your eyes
Beyond you and me
One love in your eyes
Beyond you and me
One love
