Corporate Masters

Tad Morose

So it came The first day of the new religion Saw the God with the cold eyes
Only then did I realize we had sold outIt's been a week now and I'm starting to fade Day after day I see this Idol
Stand in my way Why even bother when ...Corporate Masters
Run the Benefactor System
Can I live up to the role?And so it fell The first choice for the new division Handed out with a cold
smile All of this always televised for the eyes of the supervised The keys
to the sectors of power was given by ...Corporate Masters
Run the Benefactor System
Can I live up to the role?Now who can tell in the light of this New Disorder Who we are and you tell
me Who are we unbelieving In a world full of pain Run this world backwardsCorporate Masters
Run the Benefactor System
Can I live up to the role?
