

Happy Is a Yuppie Word

Switchfoot

Everyone dies, everyone loves a fight
Nothing is sound, nothing is right side right
Evening comes when the sun goes down in red
Nothing is cool, when will all the fighting end
When will all the fighting endHappy is a yuppie word
Nothing in the world could fail me now
It's empty as an argument
I'm running down a life that won't cash out
Cash outEverything fails, everything runs it's course
A time and a place, for all of this loving war
Everyone buys, everyone's gotta price
And nothing is new, when will all the failures rise
When will all the failures rise, riseHappy is a yuppie word
Nothing in the world could fail me now
It's empty as an argument
I'm running down a life that won't cash outHappy is a yuppie word
Blessed is the man who's lost it all
Happy is a yuppie word, wordLooking for an orphanage
I'm looking for a bridge I can't burn down
I don't believe the emptiness
I'm looking for the kingdom coming down
Everything is meaningless
I want more than simple cash can buyHappy is a yuppie word
Happy is a yuppie word
Happy is a yuppie word
Happy is a yuppieNothing is sound, nothing is sound
Nothing is sound, nothing is sound
Nothing is sound, nothing is sound
Nothing is soundHappy is a yuppie word
Nothing in the world could fail me now
Happy is a yuppie word, wordSo calm down, yeah
So calm down, yeah
So calm down, yeah
