Chewing Gum

The Carter Family

Hey Annie, well look at you
Is that a new boy stuck on your shoe?
C'mon Annie, how is it so
You've always got a new bubble to blow?I'm gonna tell you how it's gonna get done
I'm just a girl that's only chewing for fun
You spit it up when all the flavor has gone
Wrap him round your finger like you're playing with gumOh no, oh no, you've got it all wrong
You think you're chocolate when you're chewing gum
Oh no, oh no, a slip of the tongue
You think you're chocolate but you're chewing gum, oh noIs there anything else?Hey Annie, you used to be
The only girl to take it seriously
C'mon Annie, tell us your trick
On how you keep on getting boys to stickOkay, I'll tell you why you'll never look back
It's my selection, it's my pick of the pack
I'm hooked on, I'm a chewing machine
It makes me smile and it keeps my teeth cleanOh no, oh no, you've got it all wrong
You think you're chocolate when you're chewing gum
Oh no, oh no, a slip of the tongue
You think you're chocolate but you're chewing gumOh no, oh no, you've got it all wrong
You think you're chocolate when you're chewing gum
Oh no, oh no, no you're not the one
You think you're chocolate but you're chewing gum, oh noI don't want to settle down, I just want to have fun
I don't want to settle down, I just want to chew gum
I don't want to settle down, I just want to have fun
I don't want to settle down, I just want to chew gumOh no, oh no, you've got it all wrong
You think you're chocolate when you're chewing gum
Oh no, oh no, a slip of the tongue
You think you're chocolate but you're chewing gumOh no, oh no, you've got it all wrong
You think you're chocolate when you're chewing gum
Oh no, oh no, no you're not the one
You think you're chocolate but you're chewing gum, oh noLa la la
La la la
