Happy Is a Yuppie Word

Switchfoot

Everyone dies, everyone loves a fight Nothing is sound, nothing is right side right Evening comes when the sun goes down in red Nothing is cool, when will all the fighting end When will all the fighting endHappy is a yuppie word Nothing in the world could fail me now It's empty as an argument I'm running down a life that won't cash out Cash outEverything fails, everything runs it's course A time and a place, for all of this loving war Everyone buys, everyone's gotta price And nothing is new, when will all the failures rise When will all the failures rise, riseHappy is a yuppie word Nothing in the world could fail me now It's empty as an argument I'm running down a life that won't cash outHappy is a yuppie word Blessed is the man who's lost it all Happy is a yuppie word, wordLooking for an orphanage I'm looking for a bridge I can't burn down I don't believe the emptiness I'm looking for the kingdom coming down Everything is meaningless I want more than simple cash can buyHappy is a yuppie word Happy is a yuppie word Happy is a yuppie word Happy is a yuppieNothing is sound, nothing is sound Nothing is sound, nothing is sound Nothing is sound, nothing is sound Nothing is soundHappy is a yuppie word Nothing in the world could fail me now Happy is a yuppie word, wordSo calm down, yeah So calm down, yeah So calm down, yeah
