Back in L.A.

Neil Diamond

Oh yeah
I never never knew the sun could feel so good,
And for a while I thought it never would,then I got home and finally understood!
Its good to be back in L.A againGood to be back on my own groundIts good to be back home in L.A. againGood to be back in my home town
Oh yeah
I've traveled down the streets of Amsterdam,
Sung to a princess that I called her mam
Hung out in London and in Paris, France.Its good to be back in L.A again
Good to be back on my own ground
Its good to be back home in L.A. again
Good to be back in my home town!Hey this is my world.Oh yeah.For the better or the worseOh no!And this is my life.Oh yeah!You don't get to rehearse.Oh no!This is my time, and I like being free.I know I can do it, if LA is there for me!
Oh yeah, I never knew the sun could shine so bright,
I can't remember where I stayed last night,but now I'm home and everything is all right!Good to be back in LA
OH yeah!
