

# Take You with Me

[Maria Mena](#)

November came down hard this year  
And I saw you standing clear of the rain  
Falling free but I was ready to finally come clean. Observe me, in my circus show  
On a thin light, as I take the rope and lose my nerve But you, you pull me back with  
Your hands in my hand  
And our feet all in line I'm ready, to take you with me  
To take you with me November came down hard this year  
And I saw you standing clear of the rain  
Falling free but I was ready to finally come Your hands in my hand  
And our feet all in line I'm ready, to take you with me  
To take you with me Your hands in my hand  
And our feet all in line I'm ready, to take you with me  
To take you with me
