Lost Along The Way

Staind

We Change The Rhyme
Forget The Reason
Waiting For The
Change Of Season
Drawing Near
It's Almost Here
So Save Tonight
Forget Tomorrow
Say Goodbye
To Time We Borrowed
It's Always There
It's In The AirLike Voices In The Rain
Like A Song Without A Name
Like Angel's Wings
And Whisperings
Of Love We Lost
And Found Along The WayDo You Take The Time
To Really Wollow
In The Footsteps
That You Follow
Gets You Where
Gets You Anywhere
So Here Today
And Gone Tomorrow
With The Time You
Had To Borrow
It's Always There
It's In The AirLike Voices In The Rain
Like A Song Without A Name
Like Angel's Wings
And Whisperings
Of Love We Lost
And Found Along The WayLike Voices In The Rain
Like A Song Without A Name
Like Angel's Wings
And Whisperings
Of Time We Lost
And Found Out In The Rain
Like A Song Without A Name

Like Angel's Wings
And Whisperings
Of Love We Lost
Of Love We Lost
And Found Along
The WayWe Found Along The Way
