

Tapeworm

Adharma

got the tapeworm
got the tapeworm, i want out
against a razor, sharp and a-coming
the spitting image
phone sex keeps the drive alive
and blows your brain
phone sex keeps the drive alive
and blows your brain
ash covered eyes, a gut reaction
slowly brings, decides the fiction
watch phone sex, delivers your lies
watch phone sex, delivers your lies
simply the message read, the truth is in your face
simply the message read, the truth is in your face
...is in your face...is in your face...is in your face...
is freedom talking to nothing inside your eyes?
is freedom talking to nothing inside your eyes?
the eyes...simply the message read, the truth is in your face
simply the message read, the truth is in your face
...is in your face...is in your face...is in your, face...
phone sex....phone sex....phone sex....phone sex...phone sex....
phone sex....phone sex....phone sex....phone sex...phone sex....
phone sex....phone sex....phone sex
simply the message read, the truth is in your face
simply the message read, the truth is in your face
is in your face...in your face...in your face...in your face...in your face
phone sex keeps the drive alive
and blows your brain
phone sex keeps the drive alive
and blows your brain
simply the message read, the truth is in your face
simply the message read, the truth is in your face
in your face...is in your face...in your face...in your face
dial 1-800...dial 1-800...dial 1-800...dial 1-800...dial 1-800...
dial 1-800-worm...dial 1-800-tapeworm...dial 1-800...dial 1-800-fuck...
it's in the business...tapeworm
