# Every Breath

## Boyce Avenue

It sounds like this is nothing new and that it hasn't been for awhile
You wake up on the other side and you strain to force a smile
The fairytale inside your head has become your new best friend
But I can assure you, that I'll be there before the story ends
'Cause when I needed a place to hang my heart
You were there to wear it from the start
And with every breath of me, you'll be the only light I see
I'll racing to the finish line of a lifetime that's barely started
The piece of mind I left behind, I pray you keep in your perfect garden
You waited on the minute hand and the countdown to last for days
But I'm here to tell you, it won't be long before I'm here to stay
'Cause when I needed a place to hang my heart
You were there to wear it from the start

And with every breath of me, you'll be the only light I see
The weightlessness and the lack of rest
Away from you, I'm in over my head
Even when it's dark before the dawn
I will feel your grace and carry on
And with every breath of me, you'll be the only light I see
When I needed a place to hang my heart
You were there to wear it from the start
And with every breath of me, you'll be the only light I see
Even when it's dark before the dawn
I will feel your grace and carry on
And with every breath of me, you'll be the only light I see
The only light I see
