

# Every Breath

## Boyce Avenue

It sounds like this is nothing new and that it hasn't been for awhile  
You wake up on the other side and you strain to force a smile  
The fairytale inside your head has become your new best friend  
But I can assure you, that I'll be there before the story ends  
'Cause when I needed a place to hang my heart  
You were there to wear it from the start  
And with every breath of me, you'll be the only light I see  
I'll racing to the finish line of a lifetime that's barely started  
The piece of mind I left behind, I pray you keep in your perfect garden  
You waited on the minute hand and the countdown to last for days  
But I'm here to tell you, it won't be long before I'm here to stay  
'Cause when I needed a place to hang my heart  
You were there to wear it from the start

And with every breath of me, you'll be the only light I see  
The weightlessness and the lack of rest  
Away from you, I'm in over my head  
Even when it's dark before the dawn  
I will feel your grace and carry on  
And with every breath of me, you'll be the only light I see  
When I needed a place to hang my heart  
You were there to wear it from the start  
And with every breath of me, you'll be the only light I see  
Even when it's dark before the dawn  
I will feel your grace and carry on  
And with every breath of me, you'll be the only light I see  
The only light I see
