

# Storyteller (Vijay & Sofia Zlatko Remix)

## Sonnengruss

I could write a book about him  
Love in him is what I'm thinking  
Feel a little lost without him  
So let me tell you how this story went I could write a book about him  
Love in him is what I'm thinking  
Feel a little lost without him  
So let me tell you how this story went I was so blind  
Now i can't see  
You changed my mind  
And my belief  
I could write a book about him  
Love in him is what I'm thinking
