NAGASAKI IS YESTERDAY'S DOG-END:

Crass

ATTENTION. Piss to the parties, the politicians. The pratt-stud men and their slaughter games.
ATTENTION. Reagan. Thatcher. Andrapov. You stink and kill this earth for your powerful silk-purse morality.
ATTENTION. These rulers are already dead, murdered by their own greed and the world pays homage. SHIT.
ATTENTION. It's fucking stupid to let so few run our lives into death. Don't let them do it.
ATTENTION. Why the fuck do we allow this world to slowly die from self-inflicted wounds? Tell me.
ATTENTION. Cruise missiles are at your door safely delivered for Christmas. Hooray.
ATTENTION. Big shit Heseltine assures us he will shoot anyone to protect them. Who's fucking mad then?
ATTENTION. In every country on the streets the police and army protect the stage that's set for the holocaust.
ATTENTION. Trapped in their camp of concentrated filth they expect us not to cut our way out. Scum.
ATTENTION. We refuse to take a bit part in their pathetic Hollywood nightmare, our reality.
ATTENTION. Stand up and fight. Choose life or destruction, love or hate. You cannot have both and survive. Go forward. Get out on the streets. Down the sewers. Snap the rules. Creep through the net. Fuck their diseased system. The world are no longer enough. The information has been given. The lies have been exposed. Choose your path. It's time to fucking act.
NO TIME TO BE NICE. IT'S TIME TO FUCKING ACT.
