

# Close to You

## BeBe & CeCe Winans

I just want to be close to you Sunshine, moonlight, delight  
Just a couple words describing who you are  
Lovely, so lovely, want everyone to know  
Why I'm in love with you Patient and strong, always  
No matter what I face you've been there  
To bring me through, just right on time  
(Right on)

It took a while to see that your love was true Now no one can  
(Undo)  
I belong  
(To You)  
Until the end  
(Of time)  
It's good to know  
(Good to know You're mine) And all I want  
(To say)  
'Til my dying  
(Dying day)

I just want to be close to you Honest and sweet  
Heaven is where I want to be  
Where I am, when I'm with you  
Perfect, yes perfect  
It's what you gave all the world to see Now no one can  
(Undo)  
'Cause I belong  
(To you)  
Until the end  
(Of time)  
Good to know  
(You're mine) And all I want  
(All I want to do is say 'til my dying day)

I just want to be close to you Come on CeCe, follow me  
It took a while to see now we know the truth Now no one can  
(Undo)  
I belong  
(To You)  
Until the end  
(Of time)  
Good to know

(Good to know you're mine) And all I want  
(All I want to say 'til my dying day)  
I just want to be close to you Yeah, yeah, yeah, yeah  
How long will you stay?  
I just wanna be close to You
