

Death Is the Only Release

Icons of Filth

I guess I'll be the first to say it:
I haven't felt this good in a while,
You tell me I'm the only one that they would all like,
But you're the only one that kept me alive.
You are the only one,
You are the only one that kept me alive,
You were the only one, the only one that was on my side,
You were the only one that kept me alive.
Even after all this time
Fear can grip me at night,
But somehow, somewhere you make me believe,
I could see it in your eyes.
So take me as your breathing proof,
For everything you've ever done for me
I won't lie and fear no more,
I hope you realize
You kept me alive.
You are the only one,
You are the only one that kept me alive,
You were the only one, the only one that was on my side,
You were the only one that kept me alive.
You saw my insides from the outside,
You saw a chance, gave me truth so I survived,
Saw my insides from the outside,
You saw my insides from the outside,
You took a chance, gave me proof without a goodbye,
Now here I am, just happy to be alive.
You are the only one,
You are the only one that kept me alive,
You were the only one, the only one that was on my side,
You were the only one that kept me alive.
You are the only one,
Only one, only one.
