

# Freeway Mad

Saxon

I'm screaming down the freeway  
Gonna try and burn you out  
I'm keeping in the fast lane  
Top me and I'll take you out  
And I know, yes, I know  
I want it so bad  
I'm freeway mad  
I'm burning down the freeway  
Doing ninety miles an hour  
I'm faster than a speedboat  
Pulling every inch of power

And I know, yes, I know  
I want it so bad  
I'm freeway mad  
I'm going down the freeway  
Never gonna get me out  
Steaming like a freight train  
Gonna blow my pistons out  
And I know, yes, I know  
I want it so bad, I need it so bad  
I want it so bad  
Fu-fu-fucking freeway mad
