# Hit

## The Wannadies

Monday's no fun, Tuesday's the same
Wednesday's might go out, at least something
Thursday's the day after Wednesday
Friday's I go out, at least somethingHit
Who's calling this a hit
Well, I deserve a hit
Calling this a hit
I don't deserve itMonday's no fun, Tuesday's a waste
Wednesday's I go out, oh nothing
Thursday's headache and I deserve it
Friday's I go out, at least somethingHit
Who's calling this a hit
Well, I deserve a hit
Calling this a hit
I don't deserve a hitA hit, a hit, a hit
Who's calling this a hit, a hit
Well, I deserve a hit, a hit
Who's calling this a hit
