

# Triumphant (Pulse Remix Extended)

## Mariah Carey

Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go)  
Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go)  
Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go) They told me get 'em, I got 'em,  
I swear this word to my father  
And the only way to make it to the top  
If you go and get it from the bottom  
And I ain't never asked for no handouts  
You won't carry me, no Mariah  
These haters love when I was dead broke  
But they ain't mad at me,  
I'm on fire and I'm gon' burn  
And they ain't gon' learn,  
I remember they said that it ain't my turn  
But it ain't confirmed, then the table's turned  
Just look at me now, try to hold me down  
But I ain't gon' stop, 'cause I'm gon' climb  
To the mountain top, to the mountain top, now let's go Can't fall down, stay triumphant, keep on living  
Stay on your toes  
Get off the ropes  
Don't let 'em ever count you out  
Realize all things are possible  
In your heart who's the greatest  
Reach for the stars  
Be all that you are  
And make 'em all fall down Path that I choose flashing cameras as I pose  
Throwing big money as she dances on the pole  
Lime green Lamborghini dances in the road  
License still suspended, no I never stop for tolls  
Born slick talker, twice a week shopper  
Blow a hundred wreck she don't know a footlocker  
Red bottom boss house big as Baltimore  
With a blonde bombshell tryin' to bomb with your boy  
In the James Bond Beamer chrome wheel two seater  
Smoking like Pimp C, spoken like a trill nigga  
On a cloudy day baby I can make it rain  
Rubber band, 50 grand bet it brighten up your day

Came from humble beginnings  
Then was Hummers and Benzes  
Now it's hundreds and millions, this is only the beginning  
A don, a diva, the born achiever  
The one believer, the game gets deeper  
Can't fall down, stay triumphant, keep on living  
Stay on your toes  
Get off the ropes  
Don't let 'em ever count you out  
Realize all things are possible  
In your heart who's the greatest  
Reach for the stars  
Be all that you are  
And make 'em all fall down  
Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go)  
Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go)  
Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go)  
Get 'em, get 'em, get 'em (Go)  
Hit 'em, hit 'em, hit 'em (Go)  
Can't fall down now, so even when clouds surround you  
And everyone seems to doubt you  
Baby still know who you are  
So you gotta keep on climbing  
In spite of the chains that bind you  
You can see the mountain top  
It's not too far  
Can't fall down, stay triumphant, keep on living  
Stay on your toes  
Get off the rope  
Don't let 'em ever count you out  
Realize all things are possible  
In your heart who's the greatest  
Reach for the stars  
Be all that you are  
And make 'em all fall down  
Can't fall down, stay triumphant, keep on living  
(Get 'em, get 'em, get em)  
Stay on your toes, get off the ropes  
(Stay on your toes)  
Don't let 'em ever count you out  
(No, no, no, no)  
(Get 'em, get 'em, get 'em, get 'em go)  
Realize all things are possible  
In your heart who's the greatest  
Reach for the stars  
Be all that you are  
And make 'em all fall down  
They told me get 'em, I got em

They told me get 'em, I got em  
They told me get 'em, I got em  
They told me get 'em, I got em  
They told me get 'em, I got em  
They told me get 'em, I got em
