

Musiq

Alexis Spight

I came across the fact one day that I'm filled up with it
I'm unsure of how it got there, but I know that God gifted me
Every since I can remember from age three I've been leaking out melodies
My genetic make-up is
(Musiq) It's all in my veins if cut me open harmonies and lyrics I drain
(Musiq) Oh it's in my DNA, perform surgery crazy range and rhythms I'll bleed (Musiq 3x) I'm talkin bout
musiq
So grateful that God gave me (Musiq 3x)
I came across the fact one day that I'm filled up with it
Still lost on how it got there, but I know that God gifted me
Started singing in the choir at three every since been leaking out melodies
My genetic make-up is
(Musiq) It's all in my veins if cut me open harmonies and lyrics I drain
(Musiq) Oh it's in my DNA, perform surgery crazy range and rhythms I'll bleed
(Musiq 3x) It's embedded in my system
(Musiq 3x) So grateful that you have me
(Musiq 3x) Oh yeah
(Musiq 3x) Musiq
So glad that you trusted me oh God (Musiq 3x)
To carry on musiq
These lyrics are not my own God (Musiq 3x)
Though gave them to me
And I will share it everywhere I go (Musiq 3x)
So grateful for musiq (Musiq 3x)
You coulda choose anybody (Musiq 3x) but you choose me God
Thank you for your favor (Musiq 3x)
I'm so unworthy God, but I'm so glad that my genetic make-up is
My genetic make-up is musiq
