

Take It from Me

Paul Brandt

If the river is high, I'll be your shore
If it's love you need, I'll give you more
You can count on me, baby, that's for sure
I belong to you If you cross the line, I'll cross it too
Anywhere you go, I'll be with you
We'll cry some tears, but we'll make it through
As long as we're together Everything in my heart I'll give you
Everything in my soul, it's yours
Everything that I am and ever will be
Take it from me, take it from me
Take everything I'll give you all that you can take
I made a promise, it will never break
You've got my heart, make no mistake
Just take it from me Everything in my heart I'll give you
Everything in my soul, it's yours
Everything that I am and ever will be
Take it from me, take it from me
Take everything Everything in my heart I'll give you
Everything in my soul, it's yours
Everything that I am and ever will be
Take it from me, take it from me
Take everything Everything in my heart I'll give you
Everything in my soul, it's yours
Everything that I am and ever will be
Take it from me, take it from me
Take everything Won't you take it from me, just take it from me
