

Sweet Lady

Queen

Oh, I like it
You call me up and treat me like a dog
You call me up and tear me up inside
You've got me on a lead
Oh, you bring me down
You shout around
You don't believe that I'm alone
Oh, you don't believe me Sweet lady
Sweet lady
Sweet lady sweet lady oh, stay sweet You say
You call me up and feed me all the lines
You call me sweet like I'm some kind of cheese
Waiting on the shelf
You eat me up
You hold me down
I'm just a fool to make you a home
Oh, you really do me When you say
Sweet lady (sweet lady)
Sweet lady (sweet lady)
Sweet lady oh, come on, stay sweet My sweet lady
Though it seems like we wait forever oh ah oh
Stay sweet baby
Believe and we've got everything we need
(Got everything we need) Sweet lady
Sweet lady
Sweet lady oh, oh, stay sweet, stay sweet
Oh runaway, come on, yeah yeah, yeah yeah, sweet lady
Woo
