

# When October Goes

**Barry Manilow**

And when October goes  
The snow begins to fly  
Above the smokey roofs  
I watch the planes go by The children running home  
Beneath a twilight sky  
Oh, for the fun of them  
When I was one of them And when October goes  
The same old dream appears  
And you are in my arms  
To share the happy years I turn my head away  
To hide the helpless tears  
Oh, how I hate  
To see October go And when October goes  
The same old dream appears  
And you are in my arms  
To share the happy years I turn my head away  
To hide the helpless tears  
Oh, how I hate  
To see October go I should be over it now I know  
It doesn't matter much  
How old I grow  
I hate to see October go
