

# O This God

**Matt Redman**

You light up our way  
You bring a brighter future  
You light up our lives  
Your love is like no other  
We are going to shine  
Now we are going to shine for You  
[x2]We won't fear the night  
We are looking straight ahead  
Never turning back  
Counting on Your faithfulness  
[Chorus]O this God is our God even till the end  
Standing strong over us, time and time again  
Even till the end  
We've walked through storms and  
We have walked through sorrow  
Still You won't let them steal away tomorrow

We are going to shine  
Now we are going to shine for You  
We leave the old behind  
It will not define us, no  
Yesterday is gone  
Now anything is possible  
[Chorus x4]O this God is our God even till the end  
Standing strong over us, time and time again  
Even till the end  
Jesus, You will always be our God  
And we won't take our eyes off You  
Jesus, You'll forever be the One  
We'll have no other God but You  
Jesus, You will always be our God  
And we won't take our eyes off You  
Jesus, You'll forever be the One  
We'll have no other God but You
