

Systemagic (Ralph Rosario Lunar Eclipse Mix)

Goldfrapp

Luna light, you're the spell
Cover up, let's be it, do it, celebrate it
Silver eye
Take a ride, light the sky
Make it burn, let's be it, do it, celebrate it
Silver eyeSystemagic magic
Systemagic magic
Systemagic magic
Be the wild, the wild fire
Take a ride, light the sky
Make it burn, let's be it, do it, celebrate it
Silver eye
Waning Moon in plutonic dreams
You're my kinda bling, my alibiSystemagic magic
Systemagic magic
Systemagic magic
Be the wild, the wild fireMirror, mirror, build the fire high
Mirror, mirror, be the wild, the wild fire
Systemagic magic
Systemagic magic
Systemagic magic
Be the wild, the wild fire
