Death Valley 69

Necrophagia

Well I'm heading for Death Valley once again
Gonna drop some tabs & hang out with my friends
And if the black bus picks us up and Charlie says get in now
Well I guess my hands will be dripping with their blood
Well we're driving up the canyon tonight
And the California sky never seemed so right
When we creepy crawl the house and we get our message out
Casa LaBianca drips with blood
Well I'm heading for Death Valley once againGonna drop some tabs & hang out with my friendsAnd if the black bus picks us up and Charlie says get in nowWell I guess my hands will be dripping with their bloodWell we're driving up the canyon tonightAnd the California sky never seemed so rightWhen we creepy crawl the house and we get our message out
Casa LaBianca drips with blood
