Cumberland Gap

Dock Boggs

Cumberland Gap is not my home
I'm gonna leave old Cumberland aloneCumberland Gap is one devil of a place
Can't get the water for to wash your faceLay down boys take your ease
Gonna have a battle with ticks and fleasMe and my wife and my wife's pap
Run all day through that Cumberland GapOld aunt Dinah, if you don't care
I'll leave my demijohn sittin' right thereAnd if it's not there when I get back
I'll raise hell in the Cumberland Gap
