Whore

Mayhem

Incorporated blood lust
Incinerated carcass
Incarnated in my blood
Indecent Death Whore rulesInanimated death fuck
Interlocked repulsive souls
Incantations flowing free
Indecent Death Whore rulesShe fucking hates you allIntermented in my inhumanity
Interdicted from this human face
Incompatible with this fucking world
Indecent Death Whore rulesIntercourse with raping demons
Interlude in collapsing ethics
Invincible now in eternity
Indecent Death Whore rulesShe fucking hates you allWhoreIncorporated blood lust
Incinerated carcass
Incarnated in my blood
[Incomprehensible]Inanimated death fuck
Interlocked repulsive souls
Incantations flowing free
[Incomprehensible]
