Not In This World

Kids In Glass Houses

I don?t wanna see
I want an ocean
And all of the madness
So give me your worst
Show me the fruit
Show me the passion
Show me the serpent
And give me your worst
Cause I?ve got another day to?
Can you feel it?
Are we dreaming
While we?re sleeping?
Not in this world
Can you feel it
In the evening
While we?re sleeping?

Not in this world
Scream at the night
Lie in the gutter
A billions dancers
That were here first
I wanna taste it all
Not just survive this war
Don?t wanna give up more than i tried
Can you feel it?
Are we dreaming
While we?re sleeping?
Not in this world
Can you feel it
In the evening
While we?re sleeping?
Not in this world
