Love And Affection

Neon Trees

Everybody's tellin' everybody off
It's the last thing I wanna hear
You've been killing me for days and days it seems
But the truth is the thing I fearI just don't understand
Why my love isn't good enough
I just don't understand
Why my love isn't good enough
For you
I want you to show me
Love and affection
Love and affection
Easing the tension
With love, love and affectionEverybody's showin' everybody up
It's a competition me and you
I stood outside your doorway
Watching you ignore me
I still think that your games are cuteI just don't understand
Why my love isn't good enough
I just don't understand
Why my love isn't good enoughLove and affection
Love and affection (woah)
Easing the tension
With love, love and affectionPut yourself in my shoes
Put yourself in my shoes
I don't know what you've been told
The rich get rich, the poor
Grow old
When everybody's blood runs cold
It's time for something real
Oh, oh, oh, ohLove and affection
Love and affection (woah)
Easing the tension
With love, love and affection
Love and affection (woah)
Love and affection (woah)
Easing the tension
With love, love and affectionI just don't understand
Why my blood is
I just don't understand

Why my love is not
