

# So I Heard You Joined A Convent

## Spitalfield

You picked up your favorite dress  
Made yourself up your very best  
I know you're trying to be  
Anyone's everything  
I know you're dying to be  
Broken and let down by me[Repeat x2]  
With those eyes that you throw me  
And those lines that you sold me  
I can't break if I don't bend  
And she's not coming around again[Repeat x2]  
You know you've gotta leave  
Get up get up get out  
And don't be safe  
Find yourself and your way thereFall in fall out  
And than jump in again  
I'm not running I'm just walking faster  
Don't let this keep you down  
Why do that to yourself  
What could you be after[Repeat x2]  
With those eyes that you throw me  
And those lines that you sold me  
I can't break if I don't bend  
And she's not coming around again[Repeat x2]  
You know you've gotta leave  
Get up get up get out  
And don't be safe  
Find yourself and your way there[Repeat x2]  
You know you've gotta leave  
Get up get up get out  
And don't be safe  
Find yourself and your way there
