

# Wind

## Sons Of The Pioneers

Wind  
Sons of the Pioneers  
Listen to the wind,  
Wonder what hes sayin,  
See that willow bend,  
Everything is swayin,  
Seems to be a sadness in the sighing of the wind.  
Wonder where he goes,  
Darlin can you hear me,  
Something that he knows,  
Seems to bring you near me,  
Thought I heard you whisper in the sighing of the wind.  
Sets my weary heart a Longin, yearnin, dreamin  
Starlight lost its meanin,  
Since you went away.  
Now hes turning cold,  
Wonder if hes lonely?  
Winter in my soul,  
Longin for you only,  
Cant you hear me callin in the sighing of the wind.
