

# Grandma

## Paul and Storm

DJ Michael Watts

DJ Slice, turn me up mayne, turn me up  
This heah for my grandma mayne, I love you baby  
The whole family miss you baby  
I'm fin' ta tell the world, how important you was to me  
Oh grandma, I miss you  
And wish I could kiss you and hug you girl  
Oh grandma, I miss you  
And wish I could kiss you and hug you girl  
The way you used to hold me, the way you used to hold me  
The way you used to show me, the way you used to show me  
Befo' you left you told me befo' you left you told me  
That I was gonna have to keep the family up  
(Mike Jones!)

April 14th was when, I felt I lost a friend  
I damn near stopped rappin', damn near stopped pimpin' pens  
Cousin locked in the pen, when will this drama end?  
I get success but it feels like my stress begins  
At 17 thought I was grown, had to move on  
Moved out Jones home, had to do this on my own  
My grandma left my life, I felt it wasn't right  
I get awards and I break down and I cry on sight  
My grandma left my life, I felt it wasn't right  
I get awards and I break down and I cry on sight  
My grandma left my life, I felt it wasn't right  
I get awards and I break down and I cry on sight  
'Cause she ain't here wit me, but I know she hearin' me  
Beg and plead, that she could still be here next to me  
Even though you passed and left, yo' memories are kept  
In my mind, heart, and soul even on my shelf  
Now I'm left with cousin Jessie and  
Me and my brother June, my mother and  
Even though sometimes I get too busy to touch you  
From me to y'all I want y'all to know I love you  
Oh grandma, I miss you  
And wish I could kiss you and hug you girl  
Oh grandma, I miss you  
And wish I could kiss you and hug you girl  
The way you used to hold me, the way you used to hold me

The way you used to show me, the way you used to show me  
Befo' you left you told me, befo' you left you told me  
That I was gonna have to keep the family up  
(Mike Jones!)

Grandma remember when we used to play  
Them bones and you would skunk us  
And you never had a problem punkin' us in front of company  
Wally just had a son he's a daddy, I'ma uncle now  
Wally just had a son he's a daddy, I'ma uncle now  
Latran playin' ball, I pray to God he goes pro  
And Gary Jr. gettin' bigger, I just thought I'd let you know  
That the family's okay, every thang's cool and straight  
Juanita and Nicky just told me to tell you they said, 'Hey?  
And I pray day to day that the Lord'll pave the way  
And you keep lookin' down here just smilin', just showin' ya pretty face  
And I still hang around my homies that you see while you were here

Oh and my girl better than ever, she too wish you was here  
You know I'm grown now, so I'm puttin' food on the table  
24 years old and I got my own label  
Ice age entertainment, we about to take it over  
T. Boy rappin' now he's mellow, and Wally is lil' soldier  
Boy still rolls with me, we close shoulder to shoulder  
That gator that you gave my granny I use it to sew the game up  
Me and she was partners, we both now CEO's  
It's all good but I wish you was able to see me grow  
Oh grandma, I miss you  
And wish I could kiss you and hug you girl  
Oh grandma, I miss you  
And wish I could kiss you and hug you girl  
The way you used to hold me, the way you used to hold me  
The way you used to show me, the way you used to show me  
Befo' you left you told me, befo' you left you told me  
That I was gonna have to keep the family up  
Man, it's crazy y'knahmsayin'?

Dis the main reason here, she the main reason why  
Y'all listenin' to me today y'knahmsayin'?

True story check it out, true story  
A lot of people always used to wonder  
How I got up in the game y'knahmsayin'?

My grandma was, 99.9 percent of the reason y'knahmsayin'?

It's crazy though, I mean, I used to go to strip clubs all the time and  
Try to get people to listen to my CD, you know?  
And they be like who are you? And I'm like Mike Jones  
And they'd be like who y'knahmsayin'?

And I used to always tell my grandma  
And she used to always tell me  
To use that y'knahmsayin'?  
'Cause they gon' regret what they did to me y'knahmsayin'?  
So I started usin' it, and it worked y'knahmsayin'?  
And it's it's just crazy mayne y'know?  
I started sayin' my name a lot y'knahmsayin'?  
I started givin' my phone number out y'knahmsayin'?  
When people was tellin' me that it wasn't gon' work  
My grandma was tellin' me to do it y'knahmsayin'?  
She told she seen a vision and, that's a hell of a vision y'knahmsayin'?  
And really I started givin' out my album, I started promotin' it  
And all the stuff that y'all been hearin' me do  
I got it from her y'knahmsayin'?  
And and that's the main reason, why I'm here today y'knahmsayin'?  
And and it's crazy man, it's crazy y'know  
I'm I'm, I'm here and y'all listenin' to me, y'know  
So I never woulda ever thought  
That I'd have the whole world listenin' to Mike Jones, man  
It's crazy man, I didn't even wanna use my real name, y'know?  
But grandma was like, boy you better use that name  
It's gon' blow you up one day y'knahmsayin'?  
And I was like man you don't know what'chu talkin' about  
And now I'm here, who is Mike Jones? Holla at'cha boy
