

# No Answers Only Questions

[Alan Parsons](#)

Some of us laugh,  
Some of us cry,  
Some of us lay back - watch the world go by.  
Some of us fear,  
Some of us hate,  
Some of us won't wake up 'till it's too late!The distance between us is a mystery to us all,  
The difference between us is so small!There are no answers, only questions  
And we're all strangers to the truth  
But in my mind's eye  
I have found the reason why  
And I carry the burden of the proof.Why do we fight?  
Why do we fall?  
Why do we stand there - backs against the wall?  
Why don't we change?  
Why don't we try?  
Why don't we turn 'round, help the other guy?The distance between us is a mystery to us all,  
The difference between us is so smallThere are no answers, only questions  
And we're all strangers to the truth  
But in my mind's eye  
I have found the reason why  
And I carry the burden of the proof  
And I carry the burden of the proof.
