

Future Crimes (7-Inch Version)

WILD FLAG

Pardon my life this time
I'll swear off future crimes
 Lighten my soul
 I'll give up everything
The kick, the bite, the scream
 Be tame and old
I want to go back to front
I want to go front to back
I want to feel this again
 Just like a heart attack
 I want to make it pure
 I want to make it good
And make it right Pardon my life this time
 'cause I am so hardwired
 To be alone
You want to know everything
 But you are just kidding
 Don't want to know
My blood flows out to in
My nerves are inside out
This voice is in my head
 It's like a bark, a shout
 But I can't turn it off
 I can't turn it down
Or make it quiet I wanna know
I wanna know If you're gonna be a restless soul
 Then you're gonna be so, so tired
If you're gonna keep me up all night
Then you better learn to love this fire
 If you're gonna be a restless soul
 Then you're gonna be so, so tired
If you're gonna give up on the fight
 Then I'm gonna call you a liar
