

Notion (live from Amsterdam)

Kings of Leon

I got a notion to say what doesn't feel right
Got an answer in your story today
It gave me a sign that didn't feel right, noSo don't knock it, don't knock it, you've been here before
So don't knock it, don't knock it, you've been here beforeI just wanted to know if I could go home
Been rambling in day after day
And everyone says I don't knowSo don't knock it, don't knock it, you've been here before
So don't knock it, don't knock it, you've been here beforeGot a notion to say what doesn't feel right
I just wanted to know if I could go homeSo don't knock it, don't knock it, you've been here before
So don't knock it, don't knock it, you've been here beforeSo don't knock it, don't knock it
So don't knock it, don't knock itSo don't knock it, don't knock it, you've been here before
So don't knock it, don't knock it, you've been here before
