One Horse Town

These Fine Gentlemen

These Fine Gentlemen - One Horse Town (2017)

Two weeks notice
Feelin' hopeless
In this one horse town for two
Times wasting if you ain't wasted
But I've got something to prove

I'm gonna pack my bags
I'm leaving
Time cards punched
It's open season
I think I've made it very clear

Baby you know I've got my reasons
I'm so tired of disbelieving
And she whispered in my ear(whispered in my ear)

She said if you're leaving
Then I'm leaving here with you
And I don't care where you're going
As long as you got that room for two
And you know things will slow if you leave town
And then what am I gonna do
She said if you're leaving
I'm leaving here with you
Leaving here with you

It's times like these
That bring us to our knees
And lead us to that place inside our hearts
I can't look back
As the salt begins to stack
I'm tryin' hard to make this my fresh start (Make this my fresh start)
She said if you're leaving
Then I'm leaving here with you
And I don't care where you're going
As long as you got that room for two (Got that room for, Got that room for two)
And you know things will slow if you leave town
And then what am I gonna do

She said if you're leaving
I'm leaving here with you
Leaving here with you

She said if you're leaving
Then I'm leaving here with you
And I don't care where you're going
As long as you got that room for two (Got that room for, Got that room for two)
And you know things will slow if you leave town
And then what am I gonna do
She said if you're leaving
I'm leaving here with you
Leaving here with you
