

# Remember (Roby K & Flashtech Remix)

BT

I know how you feel  
I'm feeling it too  
I hold my heart, I dream of you  
I see your face, I feel it too  
Searching skies  
I need you  
I miss youTake this and hold  
My love for you  
In separate times we think as two  
In paradise I'll drown in you  
Still searching skies  
I need you  
I want youI know how you feel  
I'm feeling it too  
I hold my heart, I dream of you  
I see your face, I feel it too  
Searching skies  
I need you  
I miss youTake this and hold  
My love for you  
In separate times we think as two  
In paradise I'll drown in you  
Still searching skies  
I need you  
I want youI love you, love you  
I love only you, love you  
Remember me near  
There may be times when it's not right  
For me to be there  
But remember me near  
Remember me near  
There may be times when it's not right  
For me to be there  
But remember me nearSearching for strength  
Can I face this day?  
Blinded by your love we stay  
You're always there - you're in my head  
Still chasing skies  
I need you

Oh, I miss you Just love you, only you, only you I love you, I love you

I love only you, love you Remember me near

There may be times when it's not right

For me to be there

But remember me near

Remember me near

There may be times when it's not right

For me to be there

But remember me near
