

The Way I See It

Anastacia

Mommy used to say to me
Bein' you's the best you can be
And I made my mistakes but I don't change my ways
Because I'm satisfied with me
See I don't trip when my friends they say to me damn, you're mean
Just because I see the same as they but differently
Well, you're trippin' if you're thinkin'
I ain't gonna speak my mind
Well, pardon me for livin', expressin' my opinion
That's just the way I see it
Oh, oh, oh, oh, oh, oh, oh, oh, come on
Two, three, four
Even if I really could change
I think people would find me strange
They think I'm buggin', maybe on somethin'
Just because it wouldn't be me
So don't be mad 'cause we don't see the same 'cause that's okay
You be you and I'll, I'll just concentrate on bein' me
Well, you're trippin' if you're thinkin'
I ain't gonna speak my mind
Well, pardon me for livin', expressin' my opinion
That's just the way I see it
Oh, oh, oh, oh, oh, oh, oh, oh, yeah
Oh, oh, oh, oh, yeah
I won't apologize for bein' strong 'cause that ain't wrong
I don't know how to be nobody else but me
Well, you're trippin' if you're thinkin'
I ain't gonna speak my mind
Well, pardon me for livin', expressin' my opinion
That's just the way I see it
Well, you're trippin' if you're thinkin'
I ain't gonna speak my mind
Pardon me for livin', expressin' my opinion
That's just the way I see it
Oh, oh, oh, oh, oh, oh, oh, oh, yeah, yeah
That's just the way I see it
Oh, oh, oh, oh, oh, oh, oh, oh, yeah
That's just the way I see it
