Shape Up

Randy

Spend all my money early every month
Don't like to hold back, I spend all at once
I don't care about a few weeks poor
Or if the landlord knocks down my door
My girl don't like it, she says I throw my life awayDown at the unemployment agency
They have a lot of different jobs for me
Don't want no job I just want to get payed
By the money that the rich people's made
They don't like it, they say I throw my life awayGet a job, shape up
You fuckin' slob, shape up
You're no good so, shape up
Shape up, shape up, shape up
Fuck youAll my life I've been a useless slob
I fucked up school, I never had a job
I tried sports but I failed there too
I always felt like I had something better to do
My parents don't like it they say I throw my life awayGet a job, shape up
You fuckin' slob, shape up
You're no good, so shape up
Shape up, shape up, shape upGet a job, 2, 3, 4, 5, shape up, 2, 3, 4, 5
You fuckin' slob, 2, 3, 4, 5, shape up, 2, 3, 4, 5
You're no good so, 2, 3, 4, 5, shape up, 2, 3, 4, 5
Shape up, shape up, shape up, piss off
