Greenlight

5 Seconds of Summer

[Calum]
It started with a picture
Those messages you sent to me
Youâ€™re like the perfect mixture
Of Megan Fox and Kate Upton

[Michael]
Itâ€™s such a sick obsession
And now youâ€™ve got the best of me
Iâ€™ve got the worst attention
So call me over, set me free

[All]
I can give you what you want

[Chorus]
Itâ€™s taking me over
I donâ€™t wanna play these games no more
All you gotta do is tell me right now,
you want me right now, come on
give me the green light
we could have all night
you just say the word
tell me itâ€™s alright
give me the green light

[Calum]
Youâ€™ve got me where you want me
Iâ€™m hanging on your every word
Itâ€™s such a twisted story
How you got me,
How you got me!

[All]
Let me give you what you need

[Chorus]
Itâ€™s taking me over
I donâ€™t wanna play these games no more
All you gotta do is tell me right now,

you want me right now, come on
give me the green light
we could have all night
you just say the word
tell me itâ€™s alright
give me the green light

[All]
Let me give you what you need

[Chorus]
Itâ€™s taking me over
I donâ€™t wanna play these games no more
All you gotta do is tell me right now,
you want me right now, come on
give me the green light
we could have all night
you just say the word
tell me itâ€™s alright
give me the green light
