

# Fast As I Can

## Frankmusik

On my marks  
Get set I'm ready go  
It's time we part  
Been mis-communicating in my heart  
I broke a sweat at a foolish pace  
You got me three, two, one  
Faster than a shooting gun  
Gonna run, run, run as fast as I can  
Gonna run, run, run as fast as I can  
Gonna run, run, run as fast as I can  
You 'aint no race worth the winning  
Just leave my town  
Don't need somebody trying to bring me down  
Destroying everything without a sound  
The back of you is the sweetest thing  
You got me three, two, one  
Faster than a shooting gun  
Gonna run, run, run as fast as I can  
Gonna run, run, run as fast as I can  
  
Gonna run, run, run as fast as I can  
You 'aint no race worth the winning  
No no oh  
Gold or silver 'aint gonna miss you  
Gold or silver 'aint gonna miss you  
Gold or silver 'aint gonna miss you girl  
You 'aint worth the winning no  
Gonna run, run, run as fast as I can  
Gonna run, run, run as fast as I can  
Gonna run, run, run as fast as I can  
You 'aint no race worth the winning  
Me what you know about me  
Everything you don't see  
Gonna run as fast as fast as as fast as I can  
Running shoes on  
Running shoes on  
Running shoes on  
See you later
