Nights Like This

Icona Pop

High on every sound all the lights are down
Cause they say no mind, I wanna stop the time.
And nights like this we own,
And you will never be alone
Me and my friends grow tall
We make big city small
Yeah, we make big city small
And we leave no one behindCome on, stay in this minute now!
We gonna flip these leaves back upside down
In nights like this, you will never be alone
Never gonna let it go
Tomorrow will die to press rewind oh, oh
In nights like this, you will never be alone
You will never be alone!If I start .. I just let go, lose the grin
Yeah, you feel so right, I wanna stop the time
So lets cash this moment
In the blurer picture
Me and my friends... walls
Nights like this they fall
You know that we made up
And this aint no dreamCome on, stay in this minute now!
We gonna flip these leaves back upside down
In nights like this, you will never be alone
Never gonna let it go
Tomorrow will die to press rewind oh, oh
In nights like this, you will never be alone
You will never be aloneOh, were alone... in the dark
We can disguise
... in the dark
Oh, we can disguiseOn nights like this you will never be alone
On nights like this you will never be alone
