

Bleed Well

Him

You had demons to kill within you screaming
With a gun loaded with guilt you opened their eyes
Love preys the living and praises the dead
In the heart of our hearts by death we were wed Bleed well the soul you're about to sell for passion deranged
Kiss and tell, baby, we're bleeding well
Bleed well the heart you're about to fail for reasons insane
Kill and tell, baby, we're bleeding well in hell? No love lost under her will?, I heard you weeping
And on those words a church was built to keep the pain in
If death is the answer to love's mysteries
Then bleed on my darling to the sound of a dream Bleed well the soul you're about to sell for passion deranged
Kiss and tell, baby, we're bleeding well
Bleed well the heart you're about to fail for reasons insane
Kill and tell, baby, we're bleeding well in hell Bleed well the soul you're about to sell for passion deranged
Kiss and tell, baby, we're bleeding well
Bleed well the heart you're about to fail for reasons insane
Kill and tell, baby, we're bleeding well in hell Oh, we're dying in hell, hell, hell
We're bleeding well in hell
