Homesick

Stan Walker

Ey, ey ey ey ohhhhhh yea yeah yea yea
Watching the clock counting down the hours,
Waiting not even 24 has past but I cant take it
For your love I'm a addict cant break the habit
Some many call me pathetic if she ain't yours you wont get it
Ready to climb the highest tower just to see if
I can spot her face out in the crowed from the distance
When she not in my grasp my heart starts to panic
Got a case of the classic missing my baby badly

[Chorus]
Homesick, all because my baby not around
I'm homesick, even though we're in the same town
I'm homesick, seconds after me kiss
When you walk out the door I start to miss
I can't control this feeling
Its like I'm homesick, homesick
Its like I'm homesick, homesick, homesick
Its like I'm homesick, homesick, homesick
Seconds after we kiss
When you walk out the door I start to miss
I cant control this feeling
Its like I'm homesick

Feels like forever when its only been some minutes
Cause when we're together I just lose myself in it
Is it wrong to be childish when my baby allows it
Some may call me pathetic if she ain't yours, you wont get it
Don't for a second I'm being insecure
But when its so real, its a love you must adore
No I wont beat around it, its like I jumped now I'm drowning
In her presence, she's my life saving medicine

[Chorus]
Homesick, all because my baby not around
I'm homesick, even though we're in the same town
I'm homesick, seconds after me kiss
When you walk out the door I start to miss
I can't control this feeling

Its like I'm homesick, homesick
Its like I'm homesick, homesick, homesick
Its like I'm homesick, homesick, homesick
Seconds after we kiss
When you walk out the door I start to miss
I cant control this feeling
Its like I'm homesick

You been fishing now I'm hooked had the perfect bate
Took a bite it was so good wanted a second taste
You're my favourite thing to do everyday I need a dose of you
I know you just left but I'm homesick

[Chorus]
Homesick, all because my baby not around
I'm homesick, even though we're in the same town
I'm homesick, seconds after me kiss
When you walk out the door I start to miss
I can't control this feeling
Its like I'm homesick, homesick
Its like I'm homesick, homesick, homesick
Its like I'm homesick, homesick, homesick
Seconds after we kiss
When you walk out the door I start to miss
I cant control this feeling
Its like I'm homesick
