

Hold On

Bonecrusher

If there's forgiveness
Say a prayer for me
Through the pain and the torment
Through the misery

It's a world of Darkness
Darkness surrounds me
Let your light lift me up
Lift me up to see

Hold on to me
Please don't let me go

Don't let me go

I've been a Stranger
A prisoner locked in chains
Lord don't forget me now
Please call my name
It's a struggle and I'm sure you know
Protect me from myself
Please don't let me go

Hold on to me
Please don't let me go

Don't let me go

Higher than a mountain
Deeper than the sea
There is some hope for you & me
Search for the truth
The Truth will set you free

Let your loving light shine down on me
