

# Night Lights

**Bobby Scott**

Night lights, those blues in the night lights  
Are no longer bright lights since I'm without you  
Sweet dreams, oh, where did they fly to?  
You're gone and who can I cry to?  
Oh, those night lights remind me of bright eyes  
And beautiful white lies, too good to be true  
As I go on my way, with all my heart, I pray  
That those night lights will lead me to you  
Those night lights remind me of bright eyes  
And beautiful white lies, too good to be true  
As I go on my way, with all my heart, I pray  
That those night lights will lead me to you
