

Please, Don't Tell Me How the Story Ends

Bobby Bare

This could be our last goodnight together

We may never pass this way again

Just let me enjoy 'til it's over or forever
Please don't tell me how the story ends
See the way our shadows come
together

Softer than your fingers on my skin

Someday this may be all that we'll remember of each other
Please don't tell me how the story ends
Never's just
the echo of forever

Lonesome as the love that might have been

Just let me go on loving and believing 'til it's over
Please don't tell me how the story ends
Please don't tell me
how the story ends
