Fallin'

Skip the Use

i am the king in my castle
a leadership , the number one...
i got some money, i got the power
i am the king in this small worldi'm playing with your life
i'm lying, any sin is mine
i'm acting in the real life
i'm touching cause any life is minei'm falling alone, i'm falling on the ground
i'm falling deeper undergroung, all my system is going downdark waves are sweeping through my castle
the king is dead ! who is next ?
she said everything about who i am
that's why you know what's / behind the smile...i'm losing everthing i have
i'm dying in my /own trap
i'm leaving all the dreams i have
i 'm falling alone in the darki'm falling alone, i'm falling on the ground
i'm falling deeper undergroung, all my system is going down
