

Skyline

Johan de Meij

What am I doing here
In such a lonely place?
 Birds fly below
 I'm high up in my cage
 Wide awake again
 Or am I dreaming?
 Trains passing by
 World spinning 'round my head
 Then I heard a sweet voice cry
 Telling me, yeah, it's gonna be alright
 I just look at the skyline
 A million lights are looking back at me
 And when they shine
 I see a place I know I'll find some peace
 I just look at the skyline
 I used to rush around
 To keep busy in the day
 Then we did up and drink

We might find something new to say
 No, I can't live this way
 But then I heard that sweet voice cry
 Telling me, yeah, it's gonna be alright
 I just look at the skyline
 A million lights are looking back at me
 And when they shine
 I see a place I know I'll find some peace
 I just look at the skyline
 I look at the skyline
 A million lights are looking back at me
 And when they shine
 I see a place I know I'll find some peace
 I just look at the skyline
 What am I doing here
 In such a lonely place?
